

ST. JOHN'S EPISCOPAL SCHOOL

PK3 (3 year olds) YEAR AT A GLANCE

The aim of St. John's Episcopal School is for each child to grow in maturity, knowledge, and in spirit. Through engaging learning experiences, students gain positive self-esteem. St. John's small class size enables faculty to focus on each child and meet his or her individual needs.

PK3 students are grouped together in the academic building. The creatively designed area gives St. John's youngest students a sheltered, safe place to become accustomed to life away from home. Physical separation from the older students ensures quiet rest time and safe play areas that are designed specifically for their age level.
